

"Little Mermaid" Extra Credit Assignment

Though our AP English class does not have many extra credit opportunities, you will have the chance to support the Buena High School Drama Department, offer feedback, AND receive homework/classwork extra credit for this assignment. Here's how:

❑ **Step #1: Go See "The Little Mermaid"**

Attend Buena's spring musical, "The Little Mermaid," which runs two weekends: April 30th-May 2nd and May 7th-May 9th. Evening performances start at 6:00 PM and Saturday matinee performances start at 3:00 PM.

❑ **Step #2: Write a Letter**

Choose one person involved with the play (actor, crew member, director, choreographer, etc.) and write a **1-3 page letter** to the artist. Tell them what you think of their performance/work and how you were affected by it. Give specific feedback: praise them for what they did well and/or offer constructive feedback for how they can improve in the future. Be honest, but also be kind.

This is a unique opportunity to support a professional-quality artistic production on our campus *and* authentically interact with the parties involved. Letters should be completed, printed, and delivered to Mr. Levin by Friday, May 15th. Mr. Levin will then hand-deliver the letters to Buena's Theater Arts teacher, Mr. Davis.

Good luck and have fun "under the sea!" ☺
